NOTES:

5 STEPS:

1. Remove the handles and set them aside on a paintable surface.
2. Lightly sand the desk with sandpaper or sander.
see my recommendations on best sanders checklist
3. Paint the desk with your favorite paint and color. *If you are unsure of what paint types to use, sign up for our course School For DIY: Painting 101.
4. Spray Paint Drawer Pulls an accent color.
5. While drawer pulls are drying, add a second coat of paint to the desk.
6. Once topcoat dries, add embellishments. Use frog tape or stencils to add personalized touches to your kids school desk.
7. Tips: Use alphabet, inspirational words, glitter, or favorite phrases.
8. Protect your surface by applying a finishing coat. It varies depending on the paint that you select.
